# FEBRUARY 2024 NEWSLETTER

#### Dear Residents, Families and Friends,

In Latin, February is derived from the word Februum, signifying cleansing. As we embrace this month of love, let's reflect on purifying our hearts from anything that hinders us from spreading love to those who need it the most.

Christ was sent to the world to cleanse us from sin, allowing us to spend eternity with our Savior. Though we are all unworthy, isn't it amazing that God gives us his gift of love each and every day? Let's all spread love this month, because as Christ has loved us, so shall we love.

We want to extend our heartfelt gratitude to Medical Director Dr. Blanton for his years of service to our residents and community. He has served well and we will miss him. Our new Medical Director, Dr. Mitchell, will be joining us on February 10th. Please watch for dates to meet Dr. Mitchell soon. He and his team look forward to serving and partnering with Regency residents and their families.

Our goal is to continue to be better each day and look for opportunities to serve as Christ serves. Watch for upcoming family nights and community events; we hope you'll join us and spend time with our Regency Birmingham.

We would also like to thank our staff, who serve tirelessly each day and provide love and care to our residents. We are grateful for those who come in each day with a smile and compassion for your loved ones.

We want 2024 to be filled with fun, connection and plenty of opportunities for families to join us when possible in the partnership of caring for their loved ones. We are expecting this to be our best year yet; come be a part of it! We cannot wait to serve you.

> Rachelle Gillespie, Executive Director
